

Writing Performance Tasks for CTE:

1. After studying and researching the importance of early childhood education, write a letter to your congress representatives explaining the importance of early childhood education (pre-K) programs in North Carolina. Support your opinion with research and texts that you have studies [WHST.09-10.2]
2. A local start-up company is opening, and they are outfitting their business office with technology. The business office will need to have access to computers for clerical staff, they will need other equipment to conduct collaborative meetings across the country and across the world. They are considering both PC Products and Apple products. As a representative of one of the companies, write a letter arguing why the owners should use Apple products or PC (your choice). Support your claims with valid research about the products that you choose. [WHST. 09-10 and 11-12.1]

3. *Essential Question:* A union is important to protecting the rights of workers.

Using a variety of sources, develop an essential question about Unions. Write an analysis exploring your essential question. Make sure that you use reputable sources and that you appropriately document the sources in your analysis [WHST. 09-10 and 11-12.7, WHST 09-10 and 11-12. 8,4 and5]
